

GUIDES

Learning Centres

We are a team of passionate academicians who are nurturing the idea of Systematic Education to the students. Our guides are the facilitators of learning, who not only support the students in academics, but also aim to help them improve their own performance.

We are systematic

B-Block MarketSouth City II, Gurugram

OUR METHODOLOGY

Classroom Teaching

Live Classes by experts as per the lesson plan in both offline and online mode.

Points to Remember

Classroom notes by teacher, supported by important points to remember makes the concepts stronger.

Class Exercise Sheet

Practicing CBSE and Integrated questions with the experts with 40% real time questions.

Home Exercise Sheet

Comprehensive set of questions to be done and submitted within the due dates. Graded by teachers and by technology.

Doubt Clearing Sessions

The doubts from the exercise sheet and from the chapter are taken before we move for assessment.

Assessment System

We follow a set based approach and students perform assessment of chapters, sets and full syllabus.

Assessment Evaluation

The assessments marked by teacher and by technology are used to generate a detailed assessment report.

Solution Sheets

75%-100% of the solutions of exercise sheets and assessments to be provided on submission.

Parent Support System

We keep the guardian informed about the performance and share the detailed reports along with interactions.

We Motivate

We are delivering a system that keeps the student encouraged and motivated to perform.
